

Stamping out waste this Christmas!

I'm sure you've all heard the news:
regular wrapping paper is not always recyclable.
We've been ahead of the game for years here
at ESC HQ and thought we should share a few of
our favourite eco-friendly wrapping ideas with
you.

Opt for brown parcel paper, reuse packing paper
or
grab your newspaper out the
recycling bin and give it a new lease of life.

These ideas require no sticky tape and as our ink
pads are all toxic-free, you can gift wrap guilt-
free.

Remember... ECO wrapping is not just for
Christmas!

How GREEN are we?

Our wooden stamp handles have always been made especially for us and are manufactured in the UK. They are made of beech wood from a fast-growing and very sustainable tree. Our beech is ethically-sourced...
